**No harmonised standards and EU directives are currently available nor applicable for the products listed above.**

For legal reasons, CE marking and an EC Declaration of Conformity are therefore not possible.

Source: Regulation (EC) No 765/2008 Article 30 "General principles of CE marking"

There are currently no harmonised standards (EC Directive) available and applicable for the products listed above. For legal reasons, CE marking and an EC Declaration of Conformity are therefore not possible.

The marking as presented in Appendix II shall be affixed only to products to which its affixing is required for by specific Community harmonisation legislation, and shall not be affixed to any other product.
