

Management System

in accordance with the standard
DIN EN ISO 50001:2018

It is hereby confirmed that the organization

TROX

TROX SE

Heinrich-Trox-Platz
47506 Neukirchen-Vluyn

is applying an energy management system with the sites listed below for the following scope of application in consideration of IAF MD 1:

Development, design, manufacture and sales of components and systems for ventilation and air conditioning technology. Fire protection and smoke extract dampers, air-water systems, air diffusers, air filters, volume flow control units, sound attenuators, system technology, centralized and decentralized ventilation systems

Manufacture of components and systems for ventilation and air conditioning technology (filters)

The certificate consists of 4 pages.

Certificate registration no.: 180910E~

Date of initial certification: 28/12/2016

Date of certification decision:

Certification period: 28/12/2022 – 27/12/2025

Certifying Body
Chemnitz, 03/04/2025

ICG Zertifizierung GmbH Wildparkstraße 3 09247 Chemnitz

Management System

in accordance with the standard
DIN EN ISO 50001:2018

Manufacture of components and systems for ventilation and air conditioning technology. Fire protection and smoke extract dampers, air-water systems, filter casings, volume flow control units, sound attenuators, system technology, centralized and decentralized ventilation systems

Sales of components and systems for ventilation and air conditioning technology

The energy management system of the above-mentioned company includes all of the applied energy sources.

Certificate registration no.: 180910E
Date of certification decision:
Certification period: 28/12/2022 – 27/12/2025

Stephan Kose
